

TV & High Speed Internet

Internet

- Lol Ka'naab is equipped with the Fastest TotalPlay internet system which delivers high speed 100mbps internet, as well as HD TV channels.
- Video streaming services requiring fast internet like Zoom, Netflix or Apple TV are easily supported.
- Content services such as Netflix using your own login passwords can be accessed via internet connection.
- Internet in Akumal is generally fast and reliable but is subject to rare, occasional outages. Please read our section on [utility outages](#).
- Lol Ka'naab does not offer any compensation or refunds for utility outages.
