

Parking

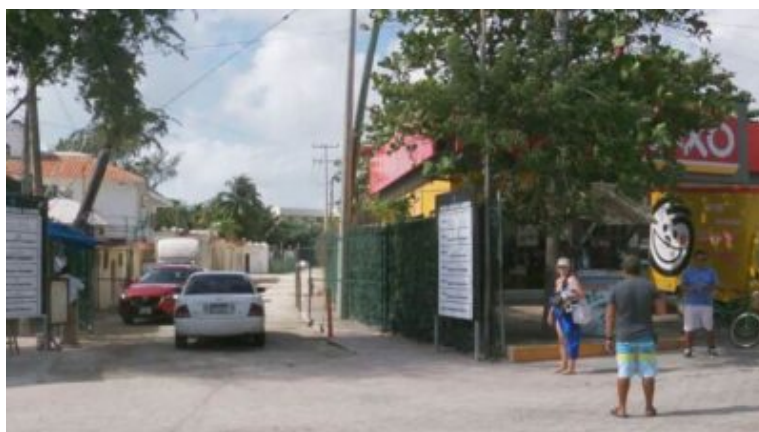

Free Parking at Lol Ka'naab

Free Guest Parking Outside Lol Ka'naab

1. There are 4 free parking spots in front of Lol Ka'naab that guests can use.
2. Across the street from Lol Ka'naab you can parallel park on the Jungle side if the spots in front of the building are full.

Free Parking at Tssuk

This private road beside the Oxxo goes to a Free Parking Lot

There is free parking at Tssuk, which is the park where Akumal's main bay is. The diving and snorkelling Tours all leave from Tssuk, and Lol Ha restaurant is there too. To get to this free parking spot there is a private road next to the OXXO that is guarded with a chain. Tell the security guard you are going to Lol Ha restaurant and he will let you past the chain to the free parking area.

Pay Parking at Plaza Ukana

Pay Parking Lot In Plaza Ukana

\$1 USD Per Hour

There are several pay parking lots around Akumal. I recommend avoiding all of them, especially the ones when you first enter Akumal with the flag wavers trying to coax you in. My only exception is the lot next to Plaza Ukana that is cheap and convenient if you are going to Taverna or Turtle Bay.
